Pathways at

UNIVERSITY OF PORTSMOUTH **2017/18**

Portsmouth, United Kingdom

INTERNATIONAL STUDENT GUIDE

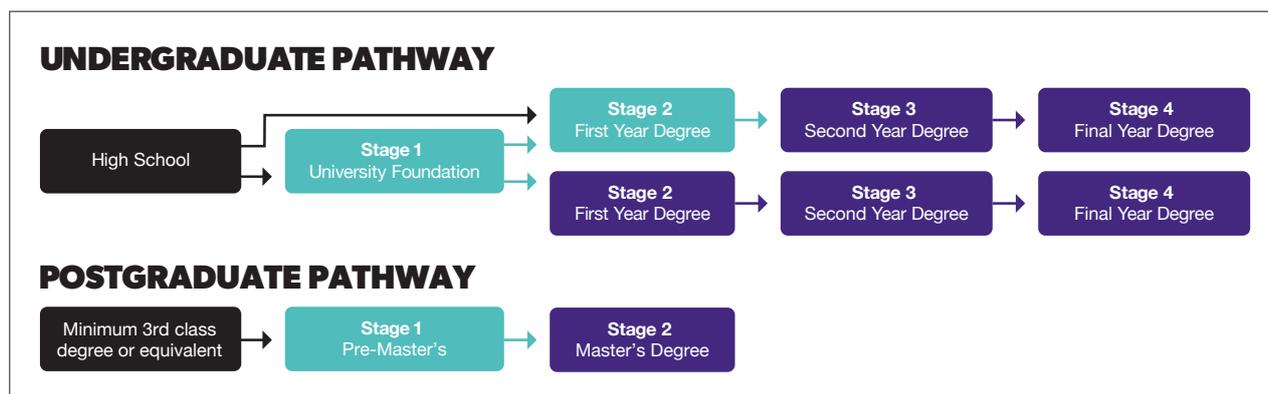

Your future starts here

- Located only 90 minutes from central London by train, Portsmouth is one of the sunniest places in the country, boasting miles of beautiful beaches.
- The University of Portsmouth is one of the top 50 universities in the UK (The Guardian University Guide 2017).
- With a 96% progression rate, ICP has a proven record of success. Over 1700 ICP students have progressed to the University of Portsmouth since 2010, and over 210 former ICP students graduated in 2016.
- ICP offers pathways to over 100 different University of Portsmouth degree programmes, meaning you can choose the pathway that is best for you.

YOUR PATHWAY TO A DEGREE FROM THE UNIVERSITY OF PORTSMOUTH

International College Portsmouth (ICP) is part of the global Navitas Group, an internationally recognised education provider with the knowledge and resources of staff in more than 120 colleges and campuses worldwide.

At ICP, we take great care to ensure your experience at the University of Portsmouth is of the highest standard to prepare you for your future career in a global economy. By choosing an ICP pathway you will be ready to achieve academic success and enjoy an unforgettable learning experience.

WELCOME

Message from the Vice-Chancellor of the University of Portsmouth

Welcome to the University of Portsmouth.

I am very pleased that we have established ICP as an associate college of the University, a partnership that allows students to begin their pathway at ICP and study on the University campus. This extends the reach of the University both globally and academically, and allows us to offer Portsmouth degrees to many aspiring students from overseas who may not otherwise be ready to move directly into undergraduate or postgraduate studies.

I wish you every success in your ICP studies and your exciting new life in Portsmouth.

I look forward to hearing of your progress through one of our degrees and eventually I hope to celebrate your academic achievements at our graduation ceremony.

Professor Graham Galbraith
Vice-Chancellor University of Portsmouth

Message from the College Director/Principal of ICP

I am delighted that you are considering a university education in the UK. ICP provides a fantastic range of pathways into one of the country's top modern universities. We have welcomed talented and ambitious students from around the world to the college since 2009.

Since our opening in 2009, ICP has established an impressive reputation in the pathway sector as a high quality and achievement orientated institution. Our exemplary progression rates of over 96% are symbolic of the quality of the teaching and academic support the College provides; and through the years over 1700 ICP students have successfully progressed to University of Portsmouth degree programmes. Indeed, in 2016 210 former ICP students graduated from the University of Portsmouth, of whom over 90% achieved a second class honours degree or better.

Many of these graduates have since used the knowledge and skills they acquired in Portsmouth to move onto postgraduate study or secure jobs in an increasingly competitive global marketplace.

At ICP we are entirely focused on you and providing you with an unforgettable student experience. We aim to provide you with the teaching and support that will enable you to achieve your aspirations and dreams.

It is my pleasure to welcome you to ICP and one of the most exciting stages of your life.

Alun Rees
College Director/Principal, ICP

“The fantastic staff at ICP helped me achieve the grades and skills I needed to successfully progress to the University of Portsmouth, and helped me develop invaluable employability skills.”

PADCHA NGARMLAK, THAILAND
MSc Business and Management

LAUNCH YOUR GLOBAL CAREER AT THE UNIVERSITY OF PORTSMOUTH

Since its beginnings in 1869, the University of Portsmouth has been committed to promoting and maintaining excellence in teaching and research across its five faculties. The University prepares students well for their future careers through practical teaching and the use of state-of-the-art facilities, and this is demonstrated by an excellent graduate employment track record.

The University currently has more than 25,000 students, including almost 4,000 international and EU students from over 120 different countries. A growing reputation for excellence means the University is becoming a preferred destination for many students, tutors and researchers. The University's aim is to provide an excellent student experience focused on the knowledge and skills essential for roles in the global workplace.

The University is committed to investing in its students' future and ensuring an excellent learning experience. The University of Portsmouth is ranked 43rd out of 121 universities in the UK in The Guardian University Guide 2017, and is

in the top 10 of south east universities in the UK according to the Times and Sunday Times Good University Guide 2016.

In 2016, University of Portsmouth was ranked among the top 150 modern universities in the world under 50-years-old (The Times Higher Education 150 Under 50 Rankings 2016).

Research at the University was rated world-leading in the latest survey of research quality in UK universities. Over 60 per cent of research submitted by the University is rated as world-leading and internationally excellent.

At Portsmouth, whatever you choose to study, you will participate in a challenging academic course and learn in excellent spaces. Significant investment in the campus means that students will benefit from cutting edge facilities.

In many academic areas, the University has simulated environments providing real life learning experiences.

The University of Portsmouth recognises that graduates enter an increasingly competitive global job market. At Portsmouth, employability is part of a student's study, so not only will students graduate with a highly-regarded degree, but they will also be ready for a rewarding career with the necessary skills and attributes.

Portsmouth graduates earn more than the sector average. Six months after completing an undergraduate course, a Portsmouth graduate's average salary has gone up by £1,500 this year to £23,000.

KICK-START YOUR GLOBAL CAREER

PLACEMENT OPPORTUNITIES

We believe that providing students with opportunities for work experience is vital to improving career prospects and degree outcomes. At the University of Portsmouth, each faculty has a dedicated placements office to ensure as many students as possible benefit from real work experience. Placements are paid and are typically taken between the second and final year of your degree programme. As well as providing students with the opportunity to explore the world of work, a placement also benefits employers by offering them a chance to take on fresh, intelligent and enthusiastic young people. Students have taken up placements in a wide range of organisations such as Boeing, Philips, Amazon, IBM, BMW, GlaxoSmithKline and many others.

GRADUATE OPPORTUNITIES

Purple Door is the University of Portsmouth's very own on-campus graduate recruitment consultancy, and is here to help you take those first steps from student life into the world of employment. It offers support to students and graduates with part-time jobs, career planning, work experience, volunteering, placements, business startup and graduate jobs. Students and graduates from the University of Portsmouth have access to our full range of services while they are studying and for 5 years after graduation.

“At ICP, the class environment is really friendly. Teachers do their best to make sure you understand the lessons thoroughly. I struggled with maths and physics in high school, but after attending classes at ICP, I now have a much better understanding of core concepts of these subjects. This has helped me gain high marks in both subjects this semester!”

A CAMPUS WITH EVERYTHING YOU NEED TO EXCEL

CAMPUS INFORMATION

At the University of Portsmouth you have access to fantastic facilities in a vibrant city campus on the beautiful south coast. Significant investment in the infrastructure and facilities has taken place over the past few years to offer students access to some of the most modern facilities, and also to assist researchers in pursuing ground-breaking studies in their fields. The campus is made up of over 40 buildings, interspersed with green spaces and communal areas such as cafés and restaurants.

Some of our students' favourite spaces and activities include:

The University Library

You will have access to over 400,000 books, DVDs and maps, to help with study and research skills. There are also over 547,000 ebooks and 27,000 ejournals available, plus friendly and supportive staff are here to help you find the materials you want.

Places to eat and drink

There is a great variety of cafés and coffee shops across the campus where you can grab a bite to eat near your lecture theatres or relax with friends:

- Café Coco and the Waterhole in the Students' Union Building
- The Hub in the Dennis Sciama Building
- The Art Café in Eldon Building

There are also coffee shops in the Library, Park, Portland, St George's, Anglesea Buildings and St Andrew's Court where ICP is located.

Music and drama

Sing out in a choir, take up a new instrument, join the orchestra or play in our wind or big band. Whether you're new to music, an experienced virtuoso or a budding musician, the University of Portsmouth's four rehearsal rooms, four practice rooms, each containing a piano, a fully equipped black box space with lighting and seating for 60 people and a sound recording studio will help you cultivate your musical talents. We sing and play purely for pleasure to

entertain others, and you don't have to be studying music or drama in order to join in.

Sport facilities

There are three well-appointed sport sites which are available for all students:

- **St Paul's Gym:** Recently refurbished four storey gym and multi-use sports hall which includes a 100 station gym with CV, resistance and free weights spaces, squash, table tennis and badminton courts.
- **Langstone Sports Site:** Astro turf and 3G pitches, multi-use games area, two rugby pitches, eight football pitches.
- **Spinnaker Sports Centre:** Two air conditioned fitness studios and multi-use sports hall.

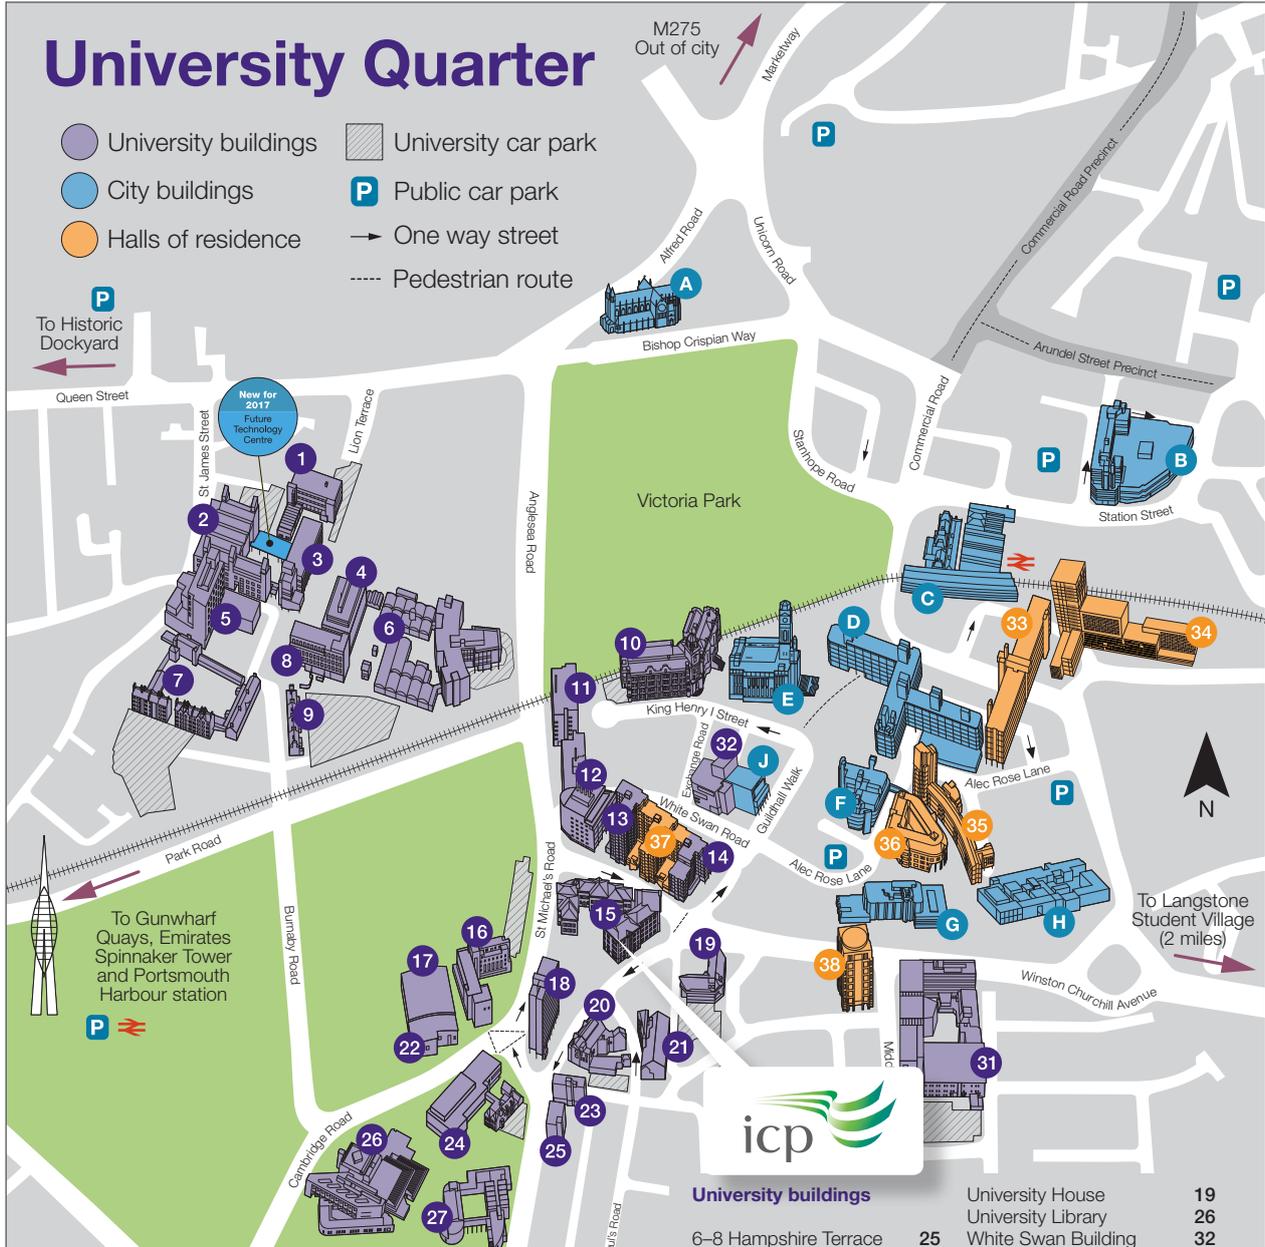

The Athletic Union, part of the Students' Union, offers over 40 sports clubs from football to skydiving. Every week our teams take part in competitions and leagues against other university teams.

As well as this, you can choose from 50 different fitness classes, or make the most of Portsmouth's renowned water sports facilities.

ICP IS YOUR PATHWAY TO UNIVERSITY OF PORTSMOUTH

Choose from over 100 different degree pathways to one of the world's top 500 universities.

ICP is an embedded college of the University of Portsmouth, offering students a modern and dynamic educational experience. The College provides educational pathways to University of Portsmouth degrees in an environment that encourages you to achieve excellence in your studies.

As an international student, you will find all the support you need at ICP in order to be successful in your degree studies, benefitting from small class sizes and additional teaching sessions with highly qualified teachers. As an ICP student, you will have access to the University of Portsmouth Students' Union, sports clubs, societies, as well as other support services such as the Maths Café.

Other benefits of studying at ICP include:

- **Location:** ICP is based in the heart of the University's city centre campus and is just a short walk from four miles of beaches along the south coast of England.
- **Flexibility:** the College has intakes in September, January and June so you can begin your studies at the time that best suits you, and join your pathway of choice ahead of students using the traditional UK academic entry system.
- **Outcomes:** over 210 former ICP students graduated from the University of Portsmouth in 2016 — many of whom received 2:1 degree awards from the University. Since the foundation of the College over 1700 students have successfully progressed from ICP to the University.

- **Value:** ICP's competitive course fees mean that ICP pathways are among the lowest priced for a world top 500 university.

- **Support:** at ICP there is a strong emphasis on providing flexible support to suit the needs of international students. Students can take advantage of a range of additional tutorials including:

- English language support
- exam skills
- IT
- learning skills
- maths
- research and referencing

If needed, one-to-one support is also available to help with whatever issue you may have — all as part of the service.

UNDERGRADUATE PATHWAYS

An undergraduate pathway is a single course comprising three or four stages of study. After successfully completing this pathway, you will be awarded a bachelor's degree from the University of Portsmouth.

We offer undergraduate pathways in the following study areas:

- Accounting and Finance
- Architecture and Design
- Business
- Computing
- Creative Technologies
- Engineering
- Hospitality Management

- Law, Politics and International Relations
- Mathematics
- Property and Surveying
- Science

POSTGRADUATE PATHWAYS

A postgraduate pathway is a single course comprising two stages of study. After successfully completing this pathway, you will be awarded a Master's degree from the University of Portsmouth.

We offer postgraduate pathways in the following study areas:

- Business
- Finance
- Logistics and Supply Chain Management
- Science and Technology
- Social Science

ENGLISH LANGUAGE

English language study at ICP is designed for international students who need to improve their English proficiency before starting their undergraduate or postgraduate studies.

You can begin your English language studies in either the autumn, spring or summer intake. The duration of the English language study will depend on your current English language competency and the requirements for the academic course you wish to undertake.

ICP currently has **over 500 students** from over 50 different countries.

OUR GRADUATES

YOUR STUDENT LIFE ON CAMPUS

Leaving home and moving to a new country can be a challenging step for anyone, but ICP's dedicated Student Services team will be here to help you get the very best out of your time in Portsmouth. Our goal is to help you to overcome any difficulties you might encounter and provide you with all the support you need to succeed in your studies.

SUPPORT NETWORK

Embarking on higher education study and moving thousands of miles from home may be a daunting experience. Our aim is to guide you through the challenges and help you settle into life in the UK. The majority of Student Services team are alumni of the University of Portsmouth and have first-hand experience of life at the University.

WELFARE WEEKS

ICP takes the welfare of our students very seriously and provides a broad programme to ensure that you can get all the information you need when studying and living in the UK. Topics include budgeting, healthy lifestyles, moving to the UK, drugs and alcohol awareness, smoking and sexual health.

CULTURAL AWARENESS WEEK

One of the truly exciting opportunities available to you at ICP is to study alongside students from a huge variety of backgrounds. Cultural Awareness Week is a week long series of student led activities through which students can share elements of their cultures with other international students. It is a great opportunity to relax and make friends from around the world.

COMMON ROOM

The Common Room is a comfy hub where students can relax during breaks, purchase a snack or just hang out with friends.

GROUP STUDY ROOMS

ICP have two group study rooms which students can book at their leisure. The rooms provide a great opportunity to revise together, practise presentations or to work on a group project.

UNIVERSITY PREPARATION

In order to help to make your transition between study stages as seamless as possible, we arrange a variety of welcome days, guest lectures, meetings and information sessions for students who are due to progress. These sessions serve as an introduction to life within a university department and help to make the move as smooth as possible.

RELIGIOUS FACILITIES

The University of Portsmouth has its own chaplaincy that offers a space to relax, meet friends and host religious events. The chaplaincy also includes an Islamic prayer room and offers information on other support services.

In addition, Portsmouth has a number of other places of worship within walking distance of ICP, including three mosques, and both Roman Catholic and Anglican Cathedral.

ACCOMMODATION

ICP has a range of accommodation options to suit you. It is recommended that you research and reserve your accommodation in good time before you travel to the UK.

For students arriving in the September and January intakes, ICP offers a Hall of Residence facing the seafront in Southsea, just 10-15 minutes walk from the College. Our Halls have modern rooms, overlooking Southsea Common with some of the best views in Portsmouth. All rooms are fully furnished, secure and include access to modern kitchen facilities and communal areas with Wi-Fi and flat screen TVs.

ICP also works with a number of local housing providers to offer a range of additional accommodation options for new students to suit any budget.

ACCOMMODATION SUPPORT

ICP have a dedicated accommodation officer who can help you find housing and support you with any issues you may have.

YOUR LIFE IN PORTSMOUTH: STUDY ON THE GLORIOUS SOUTH COAST OF ENGLAND

Portsmouth is a lively and cosmopolitan city on the south coast of England and only 90 minutes from central London. It is a great place to live, work and study. The city is compact — everything you could possibly need is within easy reach.

LOCATION

Portsmouth is the UK's only island city and is within easy reach of central London. Situated on the south coast, Portsmouth has much lower rainfall than the national average, and is one of the sunniest cities in the UK.

A CITY RICH IN HISTORY

Home to the Royal Navy, Portsmouth is proud of its maritime heritage. The Historic Dockyard houses some of the world's most famous warships, including Nelson's HMS Victory and King Henry VIII's Mary Rose which is housed in a purpose-built, award winning museum.

GETTING AROUND

The city is compact and flat — perfect for cycling — and everything is close by so it is easy to get around. This can significantly reduce your travel expenses, plus as an ICP student your campus card will give you access to a free bus service provided by the University of Portsmouth.

If you wish to travel further afield for your adventures, Portsmouth is one of the best connected ports in the UK. It has regular passenger ferries to the Isle of Wight, the Channel Islands and continental Europe, as well as an airport just 20 miles from the city. In addition to being within easy reach of London, Portsmouth also sits close to the picturesque countryside of southern England, with rolling green hills and typical English woodland.

COST OF LIVING

Portsmouth is the most affordable city for student living in the UK (NatWest Student Living Index 2016). Aside from your tuition costs, you will need to budget for a minimum of £9,135 per year to cover your living expenses while studying in the UK.

SHOPPING AND ENTERTAINMENT

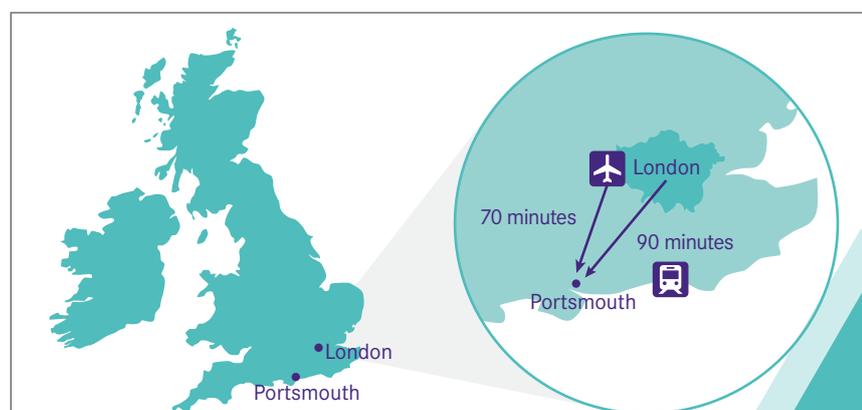

If you like shopping, you'll love Portsmouth. The city boasts three main shopping areas, including the £200 million waterside complex at Gunwharf

Quays, home to over 80 designer outlets, 30 restaurants and bars, a multi-screen cinema, and a bowling complex. Here you can visit the impressive Emirates Spinnaker Tower — the UK's tallest accessible structure outside London — which offers stunning views over the city and beyond.

Other events include the Portsmouth International Kite Festival in August and the Victorian Festival of Christmas, held every November. However, the highlight for many students comes in the summer when the music festival season begins. The Victorious Festival takes place in the city in August, but you can catch some of the world's top artists and DJs at the Isle of Wight Festival in June or at Bestival in September. Recent Bestival headliners have included Elton John, Stevie Wonder, Dizzee Rascal, Fatboy Slim, Pendulum and Snoop Dogg.

SPORT

Sport is central to life in Portsmouth and has put the city on the map. The city hosts world-class sailing events and boasts its own football team — Portsmouth FC — who were the proud winners of the world-famous FA Cup in 2008. The University of Portsmouth also offers excellent sports facilities; its Athletic Union has over 40 different clubs that ICP students can join, with everything from football, tennis and cricket to skydiving, skiing and sailing.

PORTSMOUTH IS 70 MINUTES BY CAR FROM HEATHROW AIRPORT AND 90 MINUTES FROM CENTRAL LONDON.

ACCOUNTING AND FINANCE

One-year placement option available

Potential career paths

Audit and assurance, commercial banking, corporate finance, financial analysis, financial planning, forensic accounting, insurance, investment banking, management accounting, money management, real estate, taxation.

Students choosing an undergraduate pathway in Accounting and Finance can take advantage of Portsmouth Business School's top-of-the-range facilities and strong affiliations with local businesses and the wider community. Professional accreditation is a key indicator of programme quality. Up to nine exemptions from the professional examinations of the Association of Chartered Certified Accountants (ACCA) are available to students graduating with a BA (Hons) Accounting with Finance degree. This is the highest number of exemptions available at any UK university, and one of the many reasons why this degree is an excellent choice for those considering a career in accountancy. This degree also allows up to five exemptions from Chartered Institute of Management Accountants (CIMA) papers at Certificate level, and up to two exemptions at Operational level and Management level.

Portsmouth Business School (PBS) is a large, vibrant and successful business school offering a full range of degree programmes. Ranked among the top 40 in the UK for Business and Management (Guardian University Guide 2017), PBS is considered one of the leading business schools on the south coast of England. The School has won international recognition by one of the world's leading accreditation bodies (EPAS) for the high quality of its business courses, and is a Chartered Institute of Marketing (CIM) Accredited Study Centre.

In addition, the BA (Hons) Marketing degree allows students up to three exemptions from CIM papers at Certificate level, and up to two exemptions at Diploma level. This allows students graduating from these degrees to get an excellent head start in their professional qualifications.

In all University of Portsmouth business degrees students develop a range of skills valued by employers such as communication, teamwork, career planning and time management. Each programme has a strong contemporary feel and relates business theories and concepts to the practical issues facing managers in the 21st century.

- BSc (Hons) Business and Systems Management

All of the former ICP students graduating in Economics and Management in 2016, were awarded with 2:1 degree or higher.

* Guardian University Guide 2017.

† Fee for Stage 3 of the BA (Hons) Business with Business Communication: £11,600.

Fee for Stage 4 of the BA (Hons) Business with Business Communication and BA (Hons) Marketing with Business Communication: £11,600.

COMPUTING

One-year placement option available

Portsmouth, European home of IBM

Potential career paths

Business intelligence, computer helpdesk/user support, computer sales support, computer security, computing research, database design and analysis, data process management, forensic computing, games programming and development, IT management, IT risk analysis, network administration, patent work, software engineering, software programming, software support, systems analysis, systems design, systems engineering, technical writing.

The University of Portsmouth stays at the forefront of advances in computing, both locally and further afield, which ensures the University's computing courses always reflect the current and future needs of commerce and industry.

By choosing a degree with the University's School of Computing, you will gain the skills and knowledge to become a confident and highly employable graduate, capable of making valuable contributions to the information industry. Many of the school's programmes are accredited by the British Computing Society (BCS).

Entry point

STAGE 1: UNIVERSITY FOUNDATION

Location

ICP at the University of Portsmouth

Intakes

September or January

Duration

Two semesters

Modules

- Business Studies
- Engineering Principles 1
- ICT Skills
- Interactive Learning Skills and Communication
- Mathematics for Science and Computing
- Numerical Techniques 2 or Business Management (BSc (Hons) Business Information Systems Only)
- Programming Concepts
- Research Methods, Critical Thinking and Expression

Course fee

£12,800

STAGE 2: FIRST YEAR DEGREE

Location

School of Computing, University of Portsmouth

Course fee

£14,400

STAGE 3 AND 4: SECOND AND FINAL YEAR DEGREE

Location

School of Computing, University of Portsmouth

Course fee

£14,400

Successful completion of this pathway will lead to the award of one of the following, from the University of Portsmouth:

- BSc (Hons) Business Information Systems
- BSc (Hons) Computer Science
- BSc (Hons) Computing
- BSc (Hons) Forensic Computing
- BSc (Hons) Software Engineering
- BSc (Hons) Web Technologies

CREATIVE TECHNOLOGIES

One-year placement option available

Previous winner of TIGA* Best Educational Institution Award

Potential career paths

Animation, TV production, knowledge media construction and management, multimedia production, production design, web design, multimedia delivery, virtual reality, broadcasting and computer game development.

Pathways in Creative Technologies allow you to use cutting edge, industry standard equipment and software to develop transferable creative and technical skills in graphics and animation, media production and project management that alongside the practical experiences you'll encounter will be highly regarded by employers.

The Faculty of Creative and Cultural Industries has strong links with companies such as Autodesk, Avid, Climax, EA Games, Endorphin, IBM, Pivotal Games, Sony and Virtualis, many of which offer generous prizes to award-winning graduates. These industry links also ensure that the BSc courses reflect current practices and advances, and will provide you with the essential commercial experience required by today's employers.

The Media Studies courses offer you the chance to receive training from our team of specialist media staff whose research interests cover a range of media from television and the internet to magazines and journalism. You will have access to media production facilities and will also have the opportunity to create your own film script or write a TV drama.

STAGES 2, 3 AND 4. FIRST, SECOND AND FINAL YEAR DEGREE

Location

Faculty of Creative and Cultural Industries, University of Portsmouth

Course fee

£13,300†

Successful completion of this pathway will lead to the award of one of the following, from the University of Portsmouth:

- BSc (Hons) Computer Animation
- BSc (Hons) Computer Games Enterprise
- BSc (Hons) Computer Games Technology
- BSc (Hons) Digital Media
- BA (Hons) Media Studies
- BA (Hons) Media Studies and Entertainment Technology
- BSc (Hons) Television and Broadcasting

* The Independent Games Association for Computer Games Enterprise and Technology.

† Fee for Stages 2-4 of BA (Hons) Media Studies and BA (Hons) Media Studies and Entertainment Technology: £12,600.

ENGINEERING

One-year placement option available

Potential career paths

Automotive engineering, chemical/process engineering, coastal engineering, communications engineering, construction engineering, design and development engineering, drilling and production engineering, information systems management, manufacturing engineering, materials engineering, mechanical engineering, network administration, network/information systems management, network programming/analysis, oil and gas exploration, power systems engineering, refinery operations engineering, reserves and production engineering, reservoir modelling, software engineering, surveying, transportation engineering.

The University of Portsmouth's Faculty of Technology provides an extensive variety of specialist degree programmes, including Civil Engineering, Electronic Engineering, Mechanical Engineering and Petroleum Engineering. With access to cutting-edge laboratories, close industry relationships and excellent academic staff, you will receive the very best start to your chosen engineering career.

Engineering programmes at the University of Portsmouth are accredited by the:

- Institution of Civil Engineers (ICE)
- Institution of Engineering and Technology (IET)
- Institution of Engineering Designers (IED)
- Institution of Mechanical Engineers (IMechE)
- Institution of Structural Engineers (IStructE)

School of Civil Engineering and Surveying

The University of Portsmouth has a long-established network of civil engineering consulting and contracting organisations that provide real-world case studies, curriculum advice and feedback on students' work. The School offers courses accredited by the Royal Institution of Chartered Surveyors and the Institution of Civil Engineers, and offers a programme of field trips and site visits to provide a practical, hands-on learning experience.

School of Engineering

The School is an Enhanced Academic Partner of the Institution of Engineering and Technology (IET) and provides students with access to state-of-the-art experimental and computational facilities, as well as expert technical support staff. Students also have the opportunity to showcase their final projects to employers and industry experts as part of our Student Projects Open Day.

Petroleum Engineering

Global economic growth is highly dependent on the long-term supply of oil and gas. Currently, there is a major international shortage of qualified engineers in the petroleum industry and this new course has been designed to produce graduates who wish to take advantage of the exciting and highly rewarding career prospects in this area.

- Interactive Learning Skills and Communication
- Marketing
- Organisational Behaviour
- Principles of Hospitality Operations 1
- Principles of Hospitality Operations 2

Course fee

£12,400

STAGE 3 AND 4: SECOND AND FINAL YEAR DEGREE

Location

Portsmouth Business School, University of Portsmouth

Course fee

£12,600

Successful completion of this pathway will lead to the award of one of the following, from the University of Portsmouth:

- BA (Hons) Hospitality Management
- BA (Hons) Hospitality Management with Tourism

Guaranteed one-year paid placement

One-year placement working in a paid full-time role in the UK or abroad. You can earn up to £15,000 during your work placement.

Course fee

£2,000

* Guardian University Guide 2017.

MATHEMATICS

One-year placement option available

Ranked 25th in the UK*

Potential career paths

Accountancy, banking, logistics management, mathematical modelling, meteorology, risk analysis/risk management, statistics, stocks and shares trading.

Mathematicians are highly sought after for their analytical ability and their systematic, logical approach to unravelling complex issues. Mathematics has a long and distinguished history at the University of Portsmouth, where it was one of the first subjects to be taught as far back as the late 19th century.

A Mathematics degree from the University of Portsmouth can lead to many career options and will give you an understanding of a range of different professions within modern commerce

and industry. During your pathway, you will develop theoretical, practical, analytical and computing skills as a foundation for developing applied mathematical solutions. You will also develop advanced problem-solving skills, which can be applied in numerous ways in an extensive choice of potential careers. All degrees on this pathway offer students the opportunity of undertaking an additional industrial placement year as part of their programme.

Entry point

STAGE 1: UNIVERSITY FOUNDATION

Location

Location

Department of Mathematics, University of Portsmouth

Course fee

£13,300

Successful completion of this pathway will lead to the award of one of the following, from the University of Portsmouth:

- BSc (Hons) Mathematics
- BSc (Hons) Mathematics for Finance and Management
- BSc (Hons) Mathematics with Statistics

* Guardian University Guide 2017.

LAW, POLITICS AND INTERNATIONAL RELATIONS

One-year placement option available

Ranked 45th in the UK for Law*

Potential career paths

Barrister, Civil Service, Company Secretary, Contract Manager, court service, Crown Prosecution Service, HR professional, journalism, Legal Executive, local government, non-governmental organisation (NGO) work, police service, research, Solicitor.

Since the School of Law launched its first qualifying law degrees in 2002, its undergraduate programmes have grown substantially, both in terms of student demand and the breadth of the curriculum.

The School has a mock courtroom with facilities comparable to a real court of law, allowing students to simulate full-scale trials. This facility is also available to ICP University Foundation students.

All University of Portsmouth Bachelor of Law (LLB) degrees are accredited by the Solicitors Regulation Authority and Bar Standards Board for England and Wales. You can choose either a single Law programme or Law combined with Business, Criminology or International Relations. You will also have the chance to take part in mooting and negotiation (key practical skills) in internal and external competitions, and as part of the assessment of some modules.

Entry point

STAGE 1: UNIVERSITY FOUNDATION

Location

LLB (Hons) Law

CHOOSE YOUR UNDERGRADUATE COURSE (CONTINUED)

PROPERTY AND SURVEYING

One-year placement option available

Accredited by the Royal Institution of Chartered Surveyors (RICS)

Potential career paths

Consultancy, project management, property development, surveying.

From refurbishing a small house to overseeing multi-million pound development schemes, property development is a fast-paced and demanding industry. The risks are high, but so too are the potential rewards. The BSc (Hons) Property Development is solid grounding to find success as a property professional.

The innovative BSc (Hons) Quantity Surveying brings together the entrepreneurial skills of the property developer with the professional acumen of the modern-day quantity surveyor. The course will allow you to develop an in-depth understanding of the social, economic and technical issues at the heart of any construction project.

On these courses you can:

- visit sites and study locally based case studies that will introduce you to the professional markets and environments
- attend and contribute to current debates by visiting guest speakers
- venture overseas on a European field trip

- BSc (Hons) Quantity Surveying

SCIENCE

One-year placement option available on some courses

Ranked 2nd in the UK for Sports Science†

Ranked 16th in the UK for Pharmacy and Pharmacology‡

Potential career paths

Biology, clinical biochemistry, clinical psychology, energy conservation, environmental education, environmental management, forensic psychology, forensic science, health psychology, immunology, microbiology, nature conservation, occupational psychology, pharmacology, research science, sport and exercise science, sports coaching/instructing, sports development, toxicology, water quality science.

School of Biological Sciences

With an ever-expanding population, we need biologists capable of cataloguing and conserving plant and animal life on earth. At the University of Portsmouth you will receive an excellent scientific education from academics who are leading researchers in their field. The BSc (Hons) Biology, BSc (Hons) Biochemistry, and BSc (Hons) Marine Biology courses are also accredited by the Royal Society of Biology.

School of Pharmacy and Biomedical Sciences

The University of Portsmouth has a reputation for having one of the best schools of pharmacy in the country, and was ranked 16th in the UK in the Guardian University Guide 2017. The School's laboratory facilities have recently been boosted by an investment of £1 million to include an aseptic manufacturing area and equipment for a full range of pharmaceutical, chemical and biomedical techniques.

Department of Psychology

Psychology is ranked 19th in the UK (Guardian University Guide 2017). Psychology and Forensic Psychology students who graduate with the necessary grades will be eligible for graduate membership of the British Psychological Society (BPS) and Graduate Basis for Chartered Membership, which is the first step towards becoming a chartered psychologist.

Department of Sport and Exercise Science

The University of Portsmouth's Department of Sport and Exercise Science is at the forefront of the discipline, and is one of the world's leading centres for research into the effects of environmental extremes on human performance. In the Guardian University Guide 2017, Sports and Exercise at the University of Portsmouth was ranked 2nd in the UK.

Successful completion of this pathway will lead to the award of the following degree:

- MSc Logistics and Supply Chain Management

SOCIAL SCIENCE

Potential career paths

Civil service, European institutions, foreign service, legal sector, local government, police and probation service, security and fraud risk organisations.

School of Social, Historical and Literary Studies

At Portsmouth, the study of politics and international relations explores power — who has it and how they use it in national and global arenas. This means study and research in topics from globalisation to local governance, from economic integration to war and terrorism.

Institute of Criminal Justice Studies

The Institute of Criminal Justice Studies was founded in 1992 and has since become one of the UK's leading centres for research and course provision in criminology, criminal justice and police studies.

With 50 academic staff and more than 1,800 students, the Institute is one of the largest departments of its kind and has become an internationally renowned focal point for the multidisciplinary study of crime and criminal justice processes.

It draws together expertise in criminological analysis, applied psychology, police governance and management, victimology, penology, risk, security and international and comparative criminal justice.

School of Education and Childhood Studies

The course is intended for teachers, trainers, lecturers and instructors in the state, private, public, commercial or voluntary sectors of education and training who aspire to senior management positions. Many graduates of the course go on to future roles in education or training organisations.

- MSc Counter Fraud and Counter Corruption Studies
- MSc Crime Science, Investigation and Intelligence
- MSc Criminology and Criminal Justice
- MSc Criminology and Criminal Psychology
- MSc Educational Leadership and Management
- MA International Relations
- MPA Public Administration
- MSc Security Management

CHOOSE YOUR POSTGRADUATE COURSE (CONTINUED)

SCIENCE AND TECHNOLOGY

Potential career paths

Coaching and training, construction, design, health and fitness, mining, pharmaceuticals, product manufacturing, research and development, scientific research, site engineering, structural engineering.

School of Engineering

The school is one of the Enhanced Academic Partners of the Institution of Engineering and Technology (IET) in recognition of over 25 years of continuous professional accreditation. Courses are accredited by the Institution of Mechanical Engineers (IMechE) and the Institution of Engineering Designers (IED).

Every year, hundreds of engineering students showcase their final projects to employers and industry experts as part of our Student Projects Open Day. The best projects are awarded prizes which are sponsored by leading engineering and technology companies including BT, Cisco, DSTL, IET, HP, Pall Europe and Xyratex.

In 2015, the University of Portsmouth launched the MSc Petroleum and Gas Engineering to respond to the need for specialists in upstream petroleum engineering systems. It provides relevant, up-to-date skills that will equip graduates and working professionals in the advanced concepts of reservoir and field development.

School of Civil Engineering and Surveying

The School of Civil Engineering and Surveying has a wide range of laboratories which are used for both teaching and research. The department boasts a range of labs where you can carry out materials and structures testing, fluid flow modelling and chemical investigation, as well as an on-site environmental laboratory located at a real sewage treatment works. All are well equipped with industry-standard experimental and computational facilities.

Department of Sport and Exercise Science

Sports Science at the University of Portsmouth is ranked 2nd in the UK (Guardian University Guide 2017). It is important that sports professionals have studied their subject to the highest level in order to flourish in the increasingly important global sports community and business. You will have the opportunity to work with expert staff who are accredited by the British Association of Sport and Exercise Scientists, British Psychological Society and Health and Care Professions Council.

School of Pharmacy and Biomedical Sciences

The main theme of MSc Biotechnology and MSc Medical Biotechnology is the application of natural science principles, especially in biology and physiology, to clinical medicine. It will enable you to develop your understanding of the design, conduct and interpretation of data from clinical trials. On this course you will have access to modern laboratories and state-of-the-art facilities to enhance your learning. Students can also benefit from our close links with the Portsmouth Hospitals Trust and other institutions allowing you to experience real clinical situations.

School of Geography

Fieldwork is an integral and important part of the degree programmes within the Department of Geography. We offer fully equipped physical geography, GIS and photogrammetry labs. Brimming with ultra-modern equipment, you'll have access to specialist equipment available in no other British geography department. You will therefore have the opportunity to work with facilities and equipment such as the high resolution non-contact 20 micron 3D digitising laser scanner, high precision real-time kinematic differential (RTK) GPS, and an environmental simulation cabinet.

Grade	New UCAS points	Old UCAS points
A	20	60
B	16	50
C	12	40
D	10	30
E	6	20

YOUR ENGLISH LANGUAGE PREPARATION

The language of instruction at ICP is English. To gain entry into the undergraduate or postgraduate pathway, you must be able to demonstrate you have the appropriate level of English proficiency. You can do this by obtaining one of the results shown in the table below.

Undergraduate pathway		Postgraduate pathway
Stage 1 (University Foundation)	Stage 2 (First Year Degree)	Stage 1 (Pre-Master's)
IELTS 5.5* or equivalent	IELTS 6.0* or equivalent	IELTS 6.0* or equivalent
* Minimum 5.5 in each competency.		

ICP's English language courses take place in the same classrooms as our academic courses, so students studying English language are part of the ICP student body and have access to the same university facilities as those in academic courses. Successful completion of your English language programme guarantees you a place on the following academic stage at ICP.

By completing an English language course at ICP you will:

- increase your understanding of English
- improve your pronunciation, grammatical skills and reading comprehension
- develop a broad, academically useful vocabulary
- improve your ability to participate in seminars and take useful lecture notes
- build on your writing skills for essays, reports and assignments

- become confident in public speaking and delivering presentations
- develop research skills so you can read academic texts, journals and papers efficiently and effectively
- develop the independent study skills required for success in a university environment.

Pre-sessional English language is offered directly prior to each academic intake. Following satisfactory completion you will progress to the academic part of your pathway.

PRE-SESSIONAL ENGLISH LANGUAGE ENTRY REQUIREMENTS

Course	Entry requirement	Duration	Course fee
Pre-sessional English for Undergraduate Stage 1 (University Foundation) entry	IELTS 5.0 (minimum 5.0 in writing and minimum 4.5 in any other competency)	10 weeks	£3,400
Pre-sessional English for Undergraduate Stage 2 (First Year Degree) entry	IELTS 5.0 (minimum 5.0 in writing and minimum 4.5 in any other competency)	13 weeks	£4,100
Pre-sessional English for Postgraduate Stage 1 (Pre-Master's) entry	IELTS 5.0 (minimum 5.0 in writing and minimum 4.5 in any other competency)	13 weeks	£4,100

For those students who require additional English language tuition, LSI (Language Specialists International), situated next door to ICP, is able to offer Pre-sessional English from IELTS 4.0 (or equivalent) upwards. LSI offers short and extended Pre-sessional English courses of between 8 and 25 weeks, and you will receive guaranteed direct progression on to your ICP pathway upon successful completion of the course. For more information contact admissions@icp.port.ac.uk.

ACADEMIC CALENDAR 2017/18

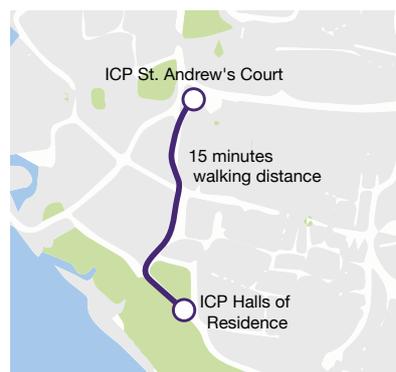

Course/Pathway		Summer 2017	Autumn 2017	Spring 2017	Summer 2018
Pre-sessional English for Undergraduate Stage 1	Starts	3 July	16 October	26 February	2 July
	Ends	8 September	5 January 2018	4 May	7 September

	Ends	5 September	15 December	27 April	4 September

Start date refers to the first day of teaching - enrolment is usually the preceding Thursday for new students or Wednesday for returners. Please see port.ac.uk/icp for further details.

ACCOMMODATION

Portsmouth is a fantastic place to live and study. With a variety of accommodation options around, you can choose to live in one of our Halls of Residence, rent an apartment or studio, or share a house with your friends. Finding the right home is very important and our dedicated team is here to support and assist you in the process.

HALLS OF RESIDENCE:

At ICP we recognise the importance of safe and comfortable student accommodation. Our student residences give students the security of knowing they are choosing a safe, clean and secure accommodation that suits the needs of the modern student. Depending on the intake, students are welcome to make a booking in one of our four Halls.

Things to note

Rent for all Halls of Residences include: all utility bills, wireless internet, fortnightly clean, on-site caretaker, access to laundry facilities, secure internal bicycle storage.

All rooms are fully furnished, single occupancy only, except the penthouse apartment which is shared between two students.

Rooms are let for the full academic year September-August, January-December depending on the intake. Pre-Master's students are able to book shorter accommodation June-September according to the duration of their course.

SEPTEMBER INTAKE ICP HALLS OF RESIDENCE

Grosvenor Halls of Residence

Option	Cost per week (GBP)
Private rooms	£140.00 per room
Single en-suite sea view rooms & double en-suite no sea view rooms	£148.00 per room
Double en-suite sea view rooms	£153.00 per room
Penthouse apartment (2 people sharing)	£115.00

Sandringham Residence

Option	Cost per week (GBP)
Double room, shared shower room with the room next door	£118.00 per room
Single en-suite room	£125.00 per room
Double en-suite room	£133.00 per room

JANUARY INTAKE ICP HALLS OF RESIDENCE

Osborne Halls of Residence

Option	Cost per week (GBP)
Double room (sea facing), shared shower room with the room next door	£124.00 per room
Double room, private facilities	£129.00 per room
Double room (sea facing), private facilities	£134.00 per room
Double en-suite room	£134.00 per room

SEPTEMBER AND JUNE INTAKE UNIVERSITY OF PORTSMOUTH HALLS

ICP is offering students one or two semester's stay in University of Portsmouth's Halls of Residence, situated in different locations around the city.

University Halls of Residence

Option	Cost per week (GBP)
Single (En-suite) Room	£140.00 per room

HOW TO BOOK?

To secure your room, simply email accommodation@icp.port.ac.uk stating your preferred option of room or complete the online booking form at www.port.ac.uk/icp. You will then need to pay a £1,000 deposit in order to confirm your room reservation. Availability is strictly on a first-come first-serve basis, so book early to avoid disappointment.

Harry Law Halls (part of Guildhall Halls)

PRIVATE RENTED ACCOMMODATION

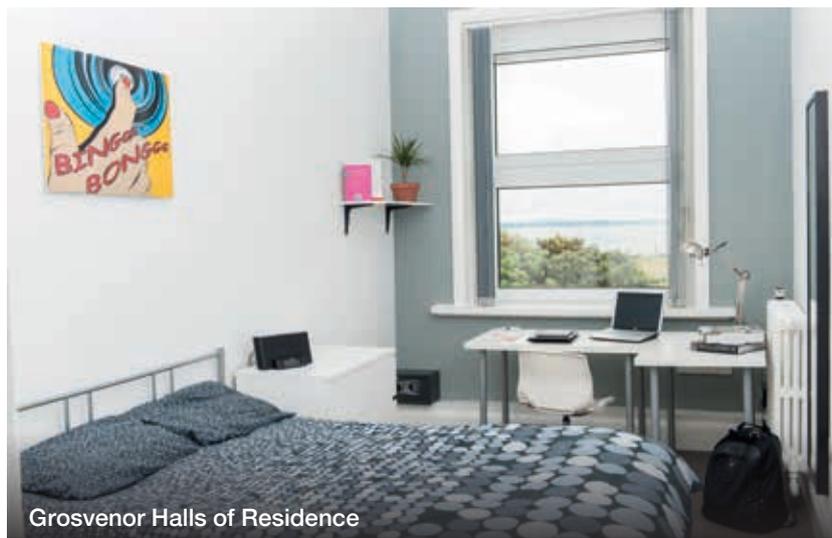

In addition to halls of residence, ICP work with a range of carefully selected local accommodation providers, who are able to provide quality, safe and regulated accommodation to ICP students. Here is a quick factsheet with useful information that might help you decide what is best for you:

Shared houses/flats

Typically shared between 3-6 students. Each room is for sole occupancy, with kitchen and private facilities shared between all students. You should expect to pay between £80-110 a week. Most properties don't include utility bills, which would be approximately £40 per month. Contracts are usually valid for a whole academic year.

Studios/apartments

Portsmouth offers a good variety of studio accommodation and one bedroom flats for students who prefer more freedom and independence. Rent varies between £160-300 per week depending on the property and location. Contracts are usually valid for a whole academic year.

NAVITAS BURSARIES AND SCHOLARSHIPS

NAVITAS FAMILY BURSARIES

Navitas offers financial support in the form of family bursaries. A bursary applies where two or more students from the same family study with a Navitas member institution.*

The bursary is equivalent to 10% of the tuition fee for up to 8 units of study within one program only.†

NAVITAS ACADEMIC MERIT SCHOLARSHIPS

Navitas is committed to helping you achieve your career goals by offering scholarships to outstanding students.

In the winter and autumn terms, Navitas colleges* award two students with academic merit scholarships.

For more information, talk to an Advisor at your college about how to apply for a merit scholarship or visit individual college websites and search for 'scholarships and bursaries'.

* ACBT, BCUIC, Curtin College, Curtin Singapore, CRIC, Deakin College, Deakin College Indonesia, Edith Cowan College, EIC, Eynesbury, FIC, Griffith College, HIC, ICM, ICP, ICRGU, ICWS, La Trobe Melbourne, La Trobe University Sydney Campus, LBIC, Navitas at FAU, Navitas at UMass Boston, Navitas at UMass Dartmouth, Navitas at UMass Lowell, Navitas at UNH, NIC, PUIC, SAIBT, SIBT, UC College, UCIC, Western Sydney University International College, and Western Sydney University Sydney City Campus only.

† Certificate programmes may also be known or registered as Foundation Studies or University Transfer Programme Stage I. Diploma programmes may also be known or registered as Undergraduate Pathway, University Transfer Programme (UTP), University Transfer Programme Stage II, University Pathways Programme.

‡ The Navitas bursary is not applicable to any English language programme or any component of an English language programme offered by a Navitas member institution.

§ The supporting documentation that is required will depend on the country where the student is enrolled.

** Navitas academic merit awards are offered to students studying in the UK at CRIC, EIC, HIC, ICP, ICRGU, ICWS, LBIC, PUIC and BCUIC only. This information is correct as at the time of printing and may be subject to change without notice or at the discretion of Navitas member institutions or Navitas Limited.

ACCOMMODATION:
[ICP.NAVITAS.COM/STUDENTS/ACCOMMODATION](#)

ICP is able to provide a range of accommodation options, catering to all tastes and budgets. ICP can offer you a room in our Halls of Residence facing the seafront in Southsea, just 10-15 minutes' walk from the College. In addition, we work with a range of carefully selected local accommodation providers, who are able to offer a range of quality, safe and regulated private accommodation. Please note:

- Rooms in the Hall of Residence come with en-suite/private bathroom facilities; all utility bills and wireless internet are included in the rent.
- Rooms with our private providers are available in both standard and en-suite format, depending on availability.
- All rooms are single, meaning you will never have to share.
- Further information about how to book your accommodation is available online at the above address.

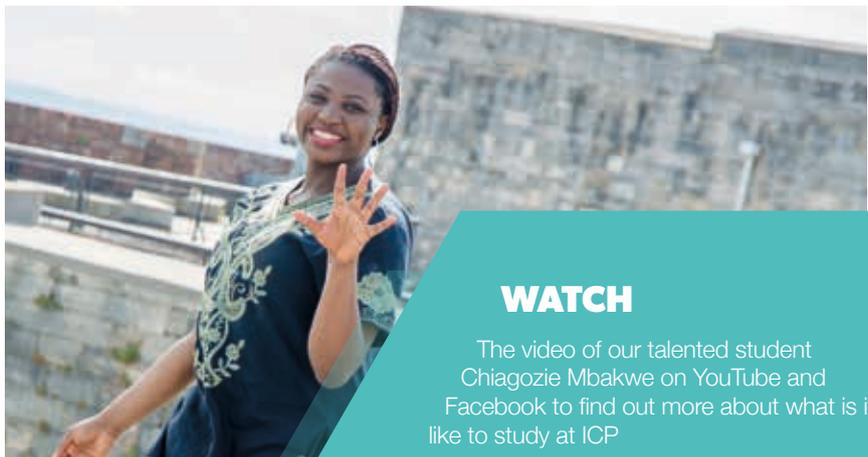

ARRIVAL:
[ICP.NAVITAS.COM/STUDENTS/ORIENTATION](#)
[ICP.NAVITAS.COM/AIRPORT-PICKUP-OPTIONS](#)

It is very important that once you have been issued your UK Study Visa you arrive in time for orientation. ICP is situated just 70 minutes' taxi ride away from London Heathrow airport and ICP operates an airport pickup service to make your arrival and transition to life in the UK as smooth as possible. Please note:

- Airport pickup cost is approximately £70-£100 depending on the number of passengers and bags, and will be charged to your student account. You will not need to pay any cash to the driver when you arrive. The cost is calculated per vehicle, not per person.
- 24 hours' notice should be provided to book an airport pickup.
- Bookings can be made online at the above address.

CONDITIONS OF ENROLMENT:
[ICP.NAVITAS.COM/APPLY-NOW/CONDITIONS-OF-ENROLMENT](#)

ICP has a number of policies and procedures in place to comply with quality, regulatory and legislative requirements. These processes form a framework to ensure that ICP delivers a high-quality service to you. In addition, the conditions of enrolment provide you with full information regarding refund policies and the terms and conditions of the contract entered into when accepting an ICP offer.

Branch Office:

Education for your world

Navitas provides you with the education you need, to get where you want to be in life. From English language skills and courses to help you enter university, to training for the workplace, Navitas colleges and campuses in 28 countries will support you every step of the way.

With over 120 Navitas and SAE Institution locations across the globe, and over 80,000 students currently studying with us, we understand the world's learning needs. We've become one of the most trusted providers of education and training in the world.

Navitas offers to students, professionals and migrants from around the world, the following opportunities:

- English language training
- High school studies
- University preparation and programmes
- Post-secondary education for creative media technology
- Career advancement programmes
- Student recruitment
- Internship programmes
- Migrant settlement services

We also offer customised workplace training for companies, and a range of training and settlement services for the Australian Government. Wherever you are, and wherever you want to be, the knowledge and resources of our staff around the world will ensure your success.
